Dear Requester

Thank you for your Freedom of Information request, received by the Council on 10 April 2026, reference FOI002930.

Please accept our sincere apologies for the delay in our response.

You requested the following information:

Your Request

I am writing to seek data in order to provide context to some upcoming work:

Q1) Please advise, based on your business rates database, how many tattoo-specific premises or tattoo studios were known to you for each financial year for the past 10 years.

Q2a) Please can you advise, based on your Environmental Health records, how many premises were registered with you in order to provide tattooing services or were tattoo studios, during each financial year for the past 10 years under the Local Government (Miscellaneous Provisions) Act 1982 (LGMPA 1982).

Please note that tattooing is considered alongside acupuncture, electrolysis, semi-permanent skin colouring, and piercing to be referred to more broadly as a ‘special treatment’, which is regulated by the above Act.

Q2b) Please can you advise, based on your Environmental Health records regarding the above premises, how many individual practitioners were registered with you in order to provide tattooing services or were working within tattoo studios, during each financial year for the past 10 years under the Local Government (Miscellaneous Provisions) Act 1982 (LGMPA 1982)?
