Dear Ian Andrews

Freedom of Information Act 2000

This request is being handled under the Freedom of Information Act 2000.

I am writing to inform you that we have searched our records and some of the information you requested is not held by Bristol City Council.

Q1) Please advise, based on your business rates database, how many tattoo-specific premises or tattoo studios were known to you for each financial year for the past 10 years.

The business rates data is not recorded in a way to provide this information into business specific assessments. Therefore not held.

I have detailed below the information that is held.

Q2a) Please can you advise, based on your Environmental Health records, how many premises were registered with you in order to provide tattooing services or were tattoo studios, during each financial year for the past 10 years under the Local Government (Miscellaneous Provisions) Act 1982 (LGMPA 1982).
Please note that tattooing is considered alongside acupuncture, electrolysis, semi-permanent skin colouring, and piercing to be referred to more broadly as a 'special treatment', which is regulated by the above Act.

Q2b) Please can you advise, based on your Environmental Health records regarding the above premises, how many individual practitioners were registered with you in order to provide tattooing services or were working within tattoo studios, during each financial year for the past 10 years under the Local
